Brief Update

- Defra Part 2A Expert Panel
 - 6 years since Statutory Guidance revised
 - 17th June - Expert Panel now disbanded
- Planning
 - Town and Country Planning (Pre-commencement conditions) Regulations 2018
 - <http://www.legislation.gov.uk/ukxi/2018/566/made>
 - In force 1st October
 - Challenge to justify inclusion of land contamination conditions
 - If not included then presume all pre-commencement reports to be submitted up front...?
